- Universal use in toilets and bathrooms

Chair/Stool Foldable- (Wall Mounted)

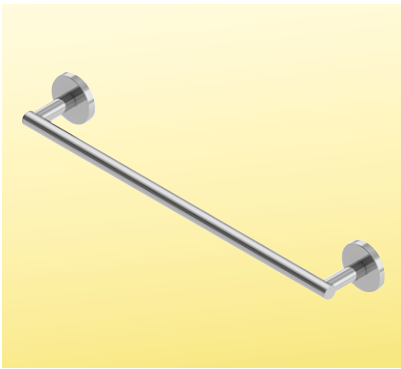

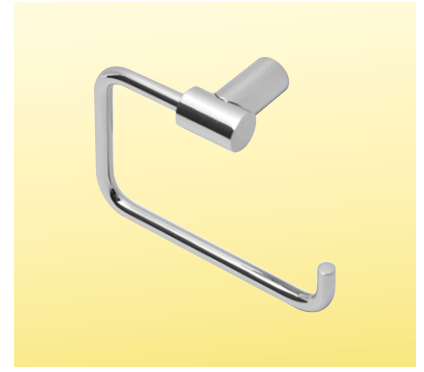

Part No.	US 704
Colour	White

FEATURES

- Weight capacity upto 150 kgs.
- Strong and Sturdy : This Chair has stability with high weight-bearing capacity upto 150 Kg , making the bench super strong and sturdy.
- Foldable & Space Saving : Shower chair can be folded flat against the wall, when not in use. This makes movement extremely easy in small bathrooms or shower space.
- Stylish & Comfortable : This chair has an elegant classic white design with a metal silver trim, smooth top surface, and rounded corners; due to which this single accessory raises the aesthetic value of a space.
- Practical: The folding shower bench from Viking is far more practical than bathroom chairs/stools with legs, such stools act as hurdles in movement and need to be put in and out every time for use.
- Low Maintenance & Durable : Non Corrosive material & no maintenance requirement make it perfect for areas with low upkeep & public places.
- Multipurpose & Versatile: Though primarily referred for bathroom use, this is not just a bath or Shower Chair. This chair serves many areas without much space like
 - Trial rooms
 - Hospitals
 - Near shoe racks (wearing and taking off shoes)
 - Old Age facility/ Home
 - Geriatric Suitability: One of the most dominant features of this folding chair is the comfort and ease it provides for the elderly. One of the risky places for an aged person is a wet bath floor, common but quite unsafe, and this foldable shower bench sure provides a lot of stability in such cases.
 - Medical Purposes: Other than the above mentioned probable usage, this foldable stool is extremely handy in case of cases requiring extra care like in case of
 1. People with a knee problem
 2. Pregnant ladies
 3. People having trouble to sit on the floor.

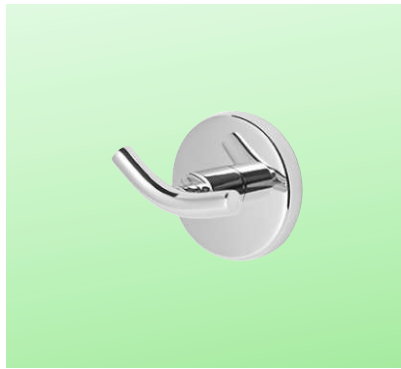

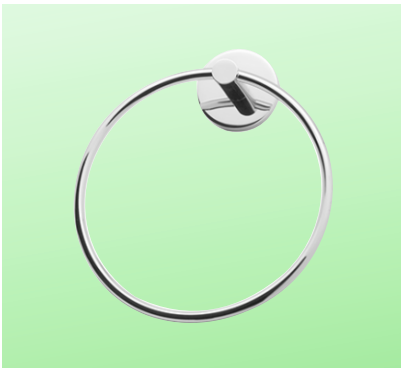

Fluids Collection

DRAINS

An important part of Bathroom accessories to keep your bathroom clean and hygienic, strainers are used in many places. From bath tub to wash basins and sinks, they are made differently for every purpose.

Bath tub grid strainers are available in three different finishes and also includes a snap-in strainer for no caulk shower. Sink and Basin Drains category consists of lavatory grid strainer and mounting ring for vessel sink.

Bath Tub Drains

C8052

Tub Drain Strainer Trim Kit with Drain Body- Polished Gold (PVD)

- High-Quality Material
- Rust proof stainless steel structure – suitable for the shower drain
- Design of elliptical holes, effectively grasp the hair and not block the drainage

C8053

Tub Drain Strainer Trim Kit with Drain Body- Polished Chrome

- High-Quality Material
- Rust proof stainless steel structure – suitable for the shower drain
- Design of elliptical holes, effectively grasp the hair and not block the drainage

C8054

Tub Drain Strainer Trim Kit with Drain Body- Brushed Nickel

- High-Quality Material
- Rust proof stainless steel structure – suitable for the shower drain
- Design of elliptical holes, effectively grasp the hair and not block the drainage

C8065

Tub Drain Strainer Trim Kit with Drain Body- Matte Black

- High-Quality Material
- Rust proof stainless steel structure – suitable for the shower drain
- Design of elliptical holes, effectively grasp the hair and not block the drainage

C8059

Roller Ball Tub Drain

- Completely blocks water draining without leaks
- Installation is quick and easy also
- Durable, No Rust, Ensuring quality and longevity
- Easy to use and maintain
- Quick & Easy Install

C8058

Roller Ball Tub Drain Replacement Assembly

- Installation is quick and easy also
- Commercial Use
- Durable, No Rust, Ensuring quality and longevity
- Quick & Easy Install
- Easy to use and maintain

Bath Tub Grid Strainers

C8031

Bathtub Grid Strainer – Polished Gold

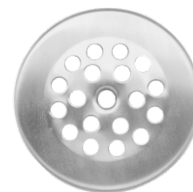

- Installation is quick and easy also
- Commercial Use
- Durable, No Rust, Ensuring quality and longevity
- Quick & Easy Install
- Easy to use and maintain

C8032

Bathtub Grid Strainer – Polished Chrome

- Durable finish
- This drain strainer is ideal for your home and served multi purpose
- Designed to enhance the looks and convenience of your bathroom
- Durable, No Rust, Ensuring quality and longevity

C8033

Bathtub Grid Strainer – Brushed Nickel

- Durable finish
- This drain strainer is ideal for your home and served multi purpose
- Designed to enhance the looks and convenience of your bathroom
- Durable, No Rust, Ensuring quality and longevity

C8068

Bathtub Grid Strainer – Matte Black

- Durable finish
- This drain strainer is ideal for your home and served multi purpose
- Designed to enhance the looks and convenience of your bathroom
- Durable, No Rust, Ensuring quality and longevity

C8120

Stainless Steel 304 Grade Bath Grate

- Specially used for all types of water outlet & Drainage System
- Ideal for your home and served multi purpose
- Made of heavy duty and durable stainless steel

Floor Drains

C8524

**General purpose (Solvent weld on)
Floor Drain – Screw in strainer 3"x4"**

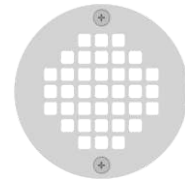

- Floor drain with screw in strainer 3" x 4"
- Complete with brass threaded inserts to accept grate securing screws
- Timeless Design with a solution for premiere home decor
- Rust proof stainless steel structure – suitable for the shower drain

C8036

Universal Snap Tile Shower Strainer (4-1/4" Brushed Nickel)

- This drain strainer is ideal for your home and served multi purpose
- Designed to enhance the looks and convenience of your bathroom
- Durable, No Rust, Ensuring quality and longevity

C8037

Universal Screw Tile Shower Strainer

- Corrosion-resistant metal construction
- Quick Connection
- No Rust, Ensuring quality and longevity
- Designed to enhance the looks and convenience of your bathroom
- This will help keep your drain clear

C8523

**General purpose (Solvent weld on)
Floor Drain – Screw in strainer 2" x 3"**

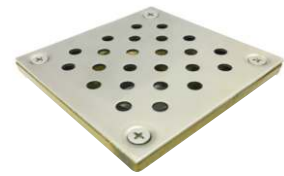

- Complete with brass threaded inserts to accept grate securing screws
- Stainless steel strainer 430 Grade
- Timeless Design with a solution for premiere home decor
- Rust proof stainless steel structure – suitable for the shower drain

C8966

Floor Drain 4" x4" with Slotted Patterns

- Floor Drain Grate has a small Hole which Prevents insects and Odor
- Size is Compatible and can be used in multiple areas like laundry areas, washing areas, bathrooms, kitchens
- Excellent Build Quality
- Easy Installation

C8967

Floor Drain 4" x4" with Slotted Patterns

- Floor Drain Grate has a small Hole which Prevents insects and Odor
- Size is Compatible and can be used in multiple areas like laundry areas, washing areas, bathrooms, kitchens
- Excellent Build Quality
- Easy Installation
- Drain Hole outer Diameter 2 inch

Shower Pan Drains

C8005

Stainless Steel Snap-In Strainer for No Caulk Shower

- Designed to enhance the looks and convenience of your bathroom
- Use for long-lasting protection against clogging
- Strong stainless steel sink drains, no rust, used in kitchen sink, bathroom, bathtub

C8050

Push in Strainer For 2" Pipe

- Metal plate to filter out large solid particles while allowing water to pass
- No need for fixing material
- Easily and Securely Attaches to Shower head
- This drain strainer is ideal for your home and served multi purpose
- Durable, No Rust, Ensuring quality and longevity

C8051

Push in Strainer For 3" Pipe

- Metal plate to filter out large solid particles while allowing water to pass
- No need for fixing material
- Easily and Securely Attaches to Shower head
- This drain strainer is ideal for your home and served multi purpose
- Durable, No Rust, Ensuring quality and longevity

Lavatory Grid Strainer

C768.02x1

Replacement Lavatory Grid Strainer Pipe 4.5"

- Chrome-plated Brass grid strainer pipe
- For use as replacement brass grid strainer for sinks
- Provides Strong and Long Life Durability
- Flexible Design For Any Space
- Solid brass construction ensures durability and reliability

C768.02x1	4.5"
C769.02x1	6.5"

C9513

Replacement Lavatory Grid Strainer Extension Pipe - 5"

- Solid brass construction ensures durability and reliability
- The material used is Brass
- Flexible Design For Any Space
- No Leaks

C9513	5"	C9512	4.5"
C9514	6.5"		

C768

Lavatory Grid Strainer- 6"

- Chrome-plated Brass Open grid strainer with 6" tailpiece
- For use as replacement brass grid strainer for sinks
- Provides Strong and Long Life Durability
- Flexible Design For Any Space
- Solid brass construction ensures durability and reliability

C769	8"

C8143

Chrome Mounting Ring for Vessel Sink - Chrome Plated Brass

- Installation is quick and simple also.

C8143	Chrome Plated
C8142	Brushed Nickel

**C8963****No Hub Cast Iron Round Shower Drain 2 inch Drain**

- Threaded strainer fixed with the lower part.
- All metal Parts gives long life working Assurance.
- Durable material and is According to Standard.
- Chrome polished grate..
- The grooved collar works as weep holes while the grooved flange adapter provides a strong seal.

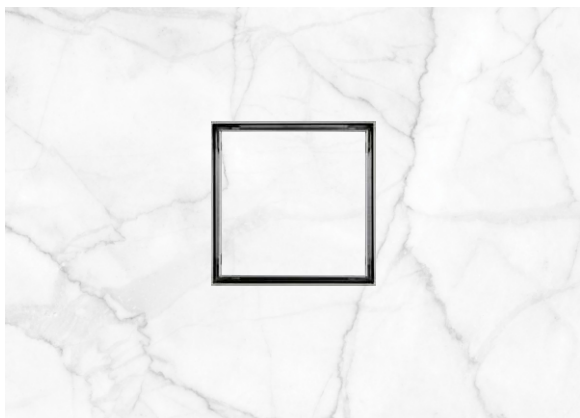

**C8964****No Hub Cast Iron Square Shower Drain 2 inch Drain**

- Threaded strainer fixed with the lower part.
- All metal Parts gives long life working Assurance.
- Durable material and is According to Standard.
- Chrome polished grate.
- The grooved collar works as weep holes while the grooved flange adapter provides a strong seal.

**C8969****PVC Shower Drain Base for 2" Square & Linear Shower floor Drain**

- Made from plastic material and Stainless Steel hardware that will never corrode or rust for worry-free plumbing.
- Rubber Gasket is built-in the drain flange.
- It works as an adapter between the floor drain and drains pipe.
- Made of durable material.
- Adjustable height.

Square Shower Drains

C8520

5" Square Shower Drain

- Fits standard 2" floor drains easily.
- Rich quality Stainless steel material is used.
- Polished Finish.
- Removable tray for easy cleaning.

C8519	4"
C8520	5"

Dome Strainer

C8965

Dome Strainer for 12" Floor Sink.

5-1/2" Diameter, Aluminum

- Durable Quality of Aluminum Body and Light Weight.
- The whole part is made up of one piece – A seamless Body.
- Big holes allow more water entraps to a sewer.
- Installed in roof areas where has pond water.

Linear Shower Drains

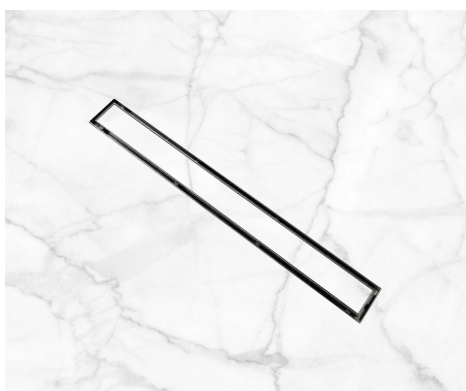

C8954

24" Linear Shower Drain

- The linear shower drain is made of high quality. AISI 304 stainless steel.
- Fits all standard 2" floor drains.
- Can be matched with any tile and finishes.
- Replaces conventional strainer.
- Custom finishes and lengths available.
- High displacement of linear shower drains are suitable for use in bathrooms, kitchens, garages, swimming pools, basements and other areas to drain the water.
- Easy Cleanable & maintenance Open the panel of linear shower drain and take the filter mesh out, Easy Cleanable.
